## **Establishment of a Sales Subsidiary in Thailand**

Hosokawa Micron Corporation hereby announces the establishment of a new sales subsidiary “Hosokawa Micron (Thailand) Co., Ltd.” in Thailand.

In October, 2018, we opened a representative office in Thailand to make a market research and local feasible study for establishment of a sales base. As a result we decided to establish a sales subsidiary to expand business opportunities of our powder processing equipment & system and its after-sales business in the Southeast Asian region.
